**Question:** There appear to be differing descriptions of the total ceiling of the award described in the cover letter versus the cost proposal instructions (Section L.8, page 70). We respectfully request USAID confirmation that the ceiling for the three-year base period is \$15 million total, plus an additional \$15 million total for two option years, for a total award ceiling of \$30 million over five years (base and option period).

*USAID/Mali Response: This is an oversight. USAID/Mali confirms that the GLEE Activity is for a three-year period and the ceiling is \$15 million. The second sentence of the second paragraph of the cover letter is hereby modified as follows: "The maximum estimated cost of the contract (costs and fee) must not exceed \$US15 million for a period of three-year (03) cofunded by the USAID Office of Education and the USAID Office of Health."*
